Keep driving through Texas and you'll see hundreds of California tags. They are called, "refugees" here in Texas. Take note of the New York and New Jersey tags too.

Heads up discord will ban your account for even looking at those servers, so use a throwaway and establish backup channels of communication

Fellow supporters near major routes to DC that cannot go please offer to help travelers. Require a PM with a phone number, voice verify and chat with them for a minute, require a comment reply somewhere on the donald with a specific word you supply so you can check their post history.

What I've learned from this community: AMERICA IS ALWAYS WORTH FIGHTING FOR!!! 🇺🇸 🇺🇸 🇺🇸 🇺🇸

My parents left Communist Vietnam over 40 years ago. I woke up about politics 3 months ago.

If you told me 3 months ago (when I first started paying attention to politics) that I'd be willing to drive across the country from California and be willing to stand strong with millions of patriots and die for a billionaire fun New York, I'd tell you that you're insane and I'd laugh you out of the room.

When I talked to my dad about potentially doing this trip three days ago, that's when I made up my mind to head out on the first of January. My parents live in Texas, so I stopped by to visit them first. They both support me on

2/22/2021 On the way to DC from California!! I just crossed the NM/TX state line and saw another California license plate at Valero. Could this be one of you on ... this journey and they shared this:

"40 years ago, we left Vietnam on a boat to FIND freedom. We had no idea where we would end up, but we just had to go. It was 4 days until we reached some land.

Now, we're so proud that you're driving across in 4 days (quick stop by their home included) to PROTECT freedom."

I look forward to being there with everyone. Thank you for EVERYONE who has continued to hold and advance the line. We finish them off on the 6th!! 🇺🇸 🇺🇸 🇺🇸 🇺🇸 🇺🇸

Lee Greenwood's latest version with the US Air Force Band was on full blast while crossing the plains of Texas!!
